Dear Mr Kumar:

We are pleased to inform you of your acceptance to Schiller International University as a full-time student from the 2006 Fall Semester which commences on 24 August 2006. You will begin your studies as a Freshman (first year) student toward the Bachelor of Business Administration degree in International Business with a concentration in Marketing at our Heidelberg Campus.

Please forward the non-refundable €550 tuition deposit which reserves your place in this program. This deposit is due upon receipt of this letter and should be forwarded to the Central Bursar (see the enclosed *Academic Calendar/Cost & Fees* leaflet for details).

We have received a certified copy of your Matriculation Certificate and also the Diploma and marksheets for your studies at the Para Medical Council. Please note, that your Diploma in Medical Lab Technology has been used to satisfy our entry requirements. Please bring the originals of all academic documents with you when you attend orientation/registration on the 24 August 2006.

You are required to take an English Language Placement Test. Students who receive a TOEFL score of 500 or better (computer-based TOEFL of 173), or IELTS score of 5 or better, will be accepted to the University without any further English-as-a-Foreign Language requirement. However, you will not be eligible for language credits for English unless you take the English Language Placement Exam offered by Schiller. The TOEFL/IELTS score, which must be less than two years old, must be **submitted directly to Schiller from the Educational Testing Service (ETS) or IELTS and must be received by Registration Day**. Alternatively, you may take our own placement test on arrival at Schiller (see enclosed sheet). Students whose TOEFL score is less than 500, or IELTS score less than 5 will be accepted to the University. They will be required, however, to take the SIU English Placement Exam and may be required to register for English-as-a-Foreign Language courses prior to or concurrently with their degree courses. Please note that the SIU TOEFL number is 0835.

It is important that you read the enclosed *Academic Calendar/Cost & Fees* leaflet and *campus brochure with information for new students* to find out exactly when you should arrive at the Heidelberg Campus for Orientation and Registration. Please ensure your full fees are paid on or prior to the date specified in this leaflet. Please note that new students are required to attend the campus orientation program. The Campus Registrar will assist you in planning your program of study during Orientation and Registration.

We are pleased that you have chosen to attend Schiller International University and we look forward to welcoming you to Heidelberg on 24 August 2006 at 9:00 a.m.

If you need assistance, please contact the campus you will be attending or this office, quoting your SIU reference number, and we will be happy to help you.

Sincerely,

Sally A Bennett
Associate Director of Admissions
